

Directions to Dr. Griffith's Office—

From the intersection of Routes 68 and 37 in Ogdensburg, N.Y., make a right hand turn onto Route 37 heading eastbound. Travel past the Walmart on your left, heading toward the bridge to Canada. Follow the signs “to Ottawa and Montreal” and “Bridge to Canada”, and turn left onto Route 812 North, to approach the toll booths leading to the bridge to Canada. Continue straight toward the toll booths until you see a bright yellow-orange sign on your right saying “Toll booths 500 feet”. Look to your left and you will see a left hand turn lane, which is the last left hand turn you can make before entering the toll booth plaza. Get into the left hand turn lane, turn left, and go up a winding road that leads to a large white brick building on a hill. The building houses the Ogdensburg Bridge and Port Authority and the Ogdensburg Chamber of Commerce. (At the bottom of the road, on your right hand side is the Chamber of Commerce’s small sign and another small sign that says “Tourism”.) Go up the winding road, which is called Bridge Approach Road, about 1/16th of a mile, to reach the white building’s parking lot, and park in any free space. Dr. Griffith is located, along with the Bridge and Port Authority and Chamber of Commerce, in the middle of the building. Her offices are on the second floor, in the back, in suites 205 and 206.
